AND CAMERON CLYNE

Letter of Demand to National Australia Bank for Claim of Damages as Previously Stated

Dear Sir,

As you are already aware, for many years I have been asking you and other officers of your bank to settle this fraud and corruption. However, you Mr. Cicutto and the other officers of the bank have objected for many years.

Please take notice that my demand from the National Australia Bank is for the sum of fifty five billion, five hundred million dollars, **i.e. \$55,500,000,000.**

If the National Bank fails to resolve this claim, then take notice that I will take action against you and others personally, both inside the bank and also outside the bank such as the law firm of Russell Kennedy, who are corrupt liars. You know very well that you are all aiding and abetting this fraud and corruption.

I once again ask you not to ignore this demand for settlement of this matter.

I hereby give the National Australian Bank ten days to respond to this demand, otherwise further action will be taken.

Yours faithfully,

Sime Juric
